I am a fully qualified childcare practitioner to a Level 3 standard and have had experience working with children for the last 10 years. I have been worked as a Senior Nursery Practitioner, prior to this I worked as a Supervisor/Deputy Manager. During my time spent at nursery I have worked with a wide range of children from birth to 5 years and also with a 3 year old with Autism, which involved working 1:1 and in small groups.

Whilst I have been working I have received and gained extra training throughout, including Makaton, promoting positive behaviours and first aid.

I fully enjoy all aspects of childcare from outings to homework, I really love arts and crafts and thrive on watching children learn through play. I am willing to fully help and support children achieve their own milestones.
