I have been working as a qualified Early Years teacher in London and Brighton for 27 years, both part and full time.

I am particularly passionate about observing and understanding how childrens play gives us a better awareness of each child's individual interests and ways c thinking. This allows me to plan and cater to their specific needs for stimulating, fun, play and developmental next steps.

I have had extensive training in all aspects of Early Years Practice including supporting children with English as an Additional Language (EAL), Special Educatio Needs and Disabilities (SEND), Speech, Language and Communication Needs (SLCN), Autism Spectrum Disorder (ASD) and Attachment Disorder.

I love singing and dancing and being active outdoors. Therefore, this provision will be woven into my sessions as well as activities that your child(ren) enjoy(s) such as reading stories, roleplay, baking and creative art/craft activities. As we know, children love being outdoors (whatever the weather!). The opportunities physical movement, fun, exploration and learning are endless.

I am about to undertake training as an Early Years Forest School faciliator and I am very excited to be a part of a local community food project which involves growing food, encouraging organic cultivation, participation, education and wellbeing. I would be able to offer sessions outdoors for your child(ren) which cho include gardening, mud kitchen activities and a variety of art and craft activities using natural materials, etc

I am a non-driver so rely on public transport or walking to and from nurseries/schools and to go to parks/outings.
