

Children First Childminding (Laurie Hill)

Childminder

I provide a happy, healthy, safe and secure home away from home while parents are at work or study. Children in my care are listened to and catered for base individual needs. A typical day may include trips to the local parks, museums, swimming pools, libraries and indoor play areas. I also have a Culinary Arts Degree and take pride in providing healthy snacks and meals on request and can cater to most dietary needs.

I have eight years experience delivering top quality childcare to parents and children in South Portslade. I can provide excellent references from parents with whom I have cared for their children from reception through to secondary school.

I have two spaces available for afterschool pick up from St. Nicholas and Brackenbury starting September 2019.
