This home childcarer lives in: Hove
Location of work: Anywhere in the city

Hello, I have been a Childminder in my own house for the last 17 years and have achieved 3 Outstanding Ofsted reports in that time.

I have experience in caring, nurturing and educating pre-school children and also doing wrap-around care once they have started school, up to the age of 11 have 3 grown-up children of my own, so I also have experience of babies from birth, right through to adulthood.

I have a level 3 certificate in Childminding Practice, level 2 certificate in Pre-School Practice, Paediatric First Aid, Safeguarding training and DBS (CRB) checked.

I have worked with children that have special needs and take a special interest in this line of work.

I can also help with light duties around the home, associated with the children. I have my own car and would be happy to take the children on outings.
